MUNICIPAL AND GOVERNMENTAL LIABILITY

At Goldberg Segalla, our experienced team of attorneys has worked as counsel to a number of municipalities throughout New York, Pennsylvania, New Jersey and Connecticut. We have the skills to guide municipalities in the full compliance of the applicable codes and laws of each state, and we have successfully defended the municipalities (including school districts) in all claims stemming from alleged violations of the codes/statutes. Our dedication to representing municipal clients involves our willingness to vigorously defend as well as prosecute any lawsuit or appeal that the municipality may face.

The attorneys at Goldberg Segalla can:

- Negotiate contracts for municipalities
- Assist in public works projects
- Counsel clients on labor relations
- Provide training for municipal governments for compliance with state and local human rights laws

In addition, our lawyers have presented many training seminars to municipal groups and school districts in a wide variety of areas, such as employment. We have also worked with municipal governments' insurance carriers to satisfy the carrier's required compliance with training procedures.
