Matthew Cabral is an associate in the firm's Albany office. His broad litigation experience includes cases involving construction defects and injury, premises liability, personal injury, workers' compensation and professional liability. He has assisted in motions and discovery and conducts legal research on asbestos cases. In addition to his litigation background, Matt has worked on environmental policy and enforcement issues while clerking for the U.S. Environmental Protection Agency New England Region Offices of Regional Counsel and Environmental Stewardship. Matt has also studied international legal issues. While in law school he earned a Concentration in International Law and assisted with international oil pollution enforcement efforts while clerking for the U.S. Coast Guard First District Legal Office.
