Claudia DiGirolamo maintains a focus on civil litigation defense, including matters involving negligence, personal injury, product, and professional liability. Claudia draws on widespread experience with commercial litigation and transactions, ranging from general corporate matters such as entity formation, restructuring and dissolution, to mergers and acquisitions, real estate and asset-based transactions, and niche matters such as blue sky laws, digital currency and token issuance restructuring.

Before joining private practice, Claudia served as a law clerk to the Hon. Vincent J.
