PARTNER

EXPERIENCE

James F. Coleman is an accomplished litigator with more than 10 years of practice dedicated to toxic tort, environmental law, and product liability matters. In addition to handling cases regularly as local counsel, Jimmy has served as national coordinating counsel for several clients, managing the defense of asbestos-related claims in courts throughout Pennsylvania as well as in federal courts.

Jimmy values the relationships he has with his clients, partnering with them to provide thorough and thoughtful counsel focused on their legal obligations and their best interests.

Prior to entering private practice, Jimmy gained experience at e-discovery consulting firms in San Francisco and New York, and served as a law clerk for the Delaware Department of Justice in the Drug and Social Vices Abatement Division.
