SPECIAL COUNSEL

EXPERIENCE

Kyle A. Peterson counsels and defends product manufacturers and premises owners in toxic tort and environmental litigation throughout Pennsylvania and West Virginia. He handles cases from inception to resolution, including motions, depositions, mediations, arbitration, and trial. After collaborating with his clients to develop case strategy, Kyle engages in vigorous trial preparation and pre-trial motion practice. On a number of occasions, his thorough work-ups have led to settlement on the eve of trial.

In addition to his toxic tort practice, Kyle draws on a range of experience handling product liability, transportation, labor and employment, personal injury, general liability, and mass tort matters.
