Patrycia Piaskowski

ASSOCIATE

EXPERIENCE

Patrycia Piaskowski focuses her practice on complex civil actions involving product liability, toxic tort, and mass tort claims. She represents clients in both state and federal courts, managing all phases of litigation from developing pleadings, motions and briefs to handling discovery, depositions and court hearings.

Patrycia gained valuable experience with aviation- and aerospace-related personal injury and premises liability matters, where she developed strong analytical, strategic and advocacy skills. She is adept at complex legal and factual issues, conducting in-depth research, and preparing comprehensive defense analyses with practical client recommendations.

During law school, Patrycia concentrated her studies on intellectual property law, an area that continues to inform her approach to handling regulation-driven disputes and developing pragmatic, client-focused strategies.
