"SIMPLE STEPS CAN PROTECT DRILLERS: IN FRACKING, PRACTICAL COVERAGE AND RISK-SHIFTING CAN EASE LITIGATION THREATS," NATIONAL DRILLER

In the second installment of their two-part *National Driller* series examining liability and insurance coverage concerns associated with hydraulic fracturing, Thomas F. Segalla, Andrew J. Scholz, and Matthew D. Cabral of Goldberg Segalla's Hydrofracking Practice Group offer practical steps drillers may take to minimize the risks associated with hydrofracking. The article addresses indemnity clauses, insurance implications, compliance with existing laws, and other critical concerns.
