### "CLASS ACTIONS: INSURANCE-RELATED CLAIMS," *FC&S LEGAL*

"Whether prosecuting or opposing a motion for class certification, within the context of insurance-related claims, there are certain principles that are critical to determining the allegations that are necessary to successfully assert such claims and the nature of any challenge to a motion to certify the punitive class," writes Thomas F. Segalla, a partner in Goldberg Segalla's Global Insurance Services Practice Group.

In this article written for *FC&S Legal: The Insurance Coverage Law Information Center*, Tom explores decisions from throughout the United States in which courts have grappled with arguments seeking to certify or oppose certification of a class action in the context of insurance-related matters.
