OFFICE

Philadelphia

PRACTICE AREAS

Workers' Compensation

Robert J. O'Hara represents employers, insurance carriers, and third-party administrators in all aspects of the workers' compensation claims-handling process, from inception through trial and appeal, including mediation and arbitration.

Bob received his bachelor's from Chestnut Hill College before going on to earn his Juris Doctor from Widener University Delaware Law School. As a law student, he completed Delaware Law School's Business Transaction in Emerging Economies Program in Havana, Cuba, where he studied international trade and investment treaties, political risk and trade credit insurance, U.S. and foreign trade laws and remedy processes, and strategies for managing exposure.
